Secretariat Staff, Intelligence Community Staff

FROM:

[Redacted]

25X1

Community Counterintelligence and Security Countermeasures
Office, IC Staff

SUBJECT:

Publication and Distribution of DCID 1/21

[Redacted]

25X1

REFERENCE:

Telecon, [Redacted] 23 Nov 87

25X1

1. This memorandum is to confirm our need for an additional printing of DCID 1/21, revision of the distribution schedule, and identification of the intended recipients of the additional copies. [Redacted]

25X1

2. DCID 1/21 establishes the minimum physical and technical security standards required for the protection of Sensitive Compartmented Information Facilities (SCIFs). The manual, which accompanies the DCID proper, is the practical tool used in the application of the standards by hundreds of government and industrial contractors literally throughout the world. The manual is constantly referenced in correspondence, in training, in the conduct of security inspections, and during planning for construction of SCIFs. [Redacted]

25X1

3. The intended distribution for DCID 1/21 and the manual (with cover) is provided as follows:
